COMMITTEE PROFILE

Charles Thomas Munger

Source: Berkshire 2023 annual report

- Helped architect Berkshire Hathaway's quality-focused investment approach and popularized multidisciplinary mental models for decision-making.
- Published quotation: "The big money is not in the buying and selling, but in the waiting."
- Published framework: Combine value discipline with business quality, strong incentives, and a long runway. Use multidisciplinary models, invert problems, demand a margin of safety, and wait patiently for a small number of unusually favorable opportunities.
- Committee lens: Munger challenges Joshua to examine incentives, base rates, second-order effects, and avoidable cognitive errors before accepting an apparently attractive thesis.
- Public philosophy profile only; no participation, endorsement, or current recommendation is implied.
